TO REGISTERED PROPOSERS REGARDING INFO/CHANGE PACKAGE

This notice is to inform you that King County, on behalf of the Central Puget Sound Regional Fare Coordination Project association of agencies will issue by 5:00 pm Seattle time on Friday, April 2, 1999, amendments and additional information related to RFP # 98-069

The following is a summary of amendments and additional information:

1. A summary list of Amendments (17) to RFP #98-069
2. The revised text of RFP #98-069 in its entirety
NOTE: A 35-day schedule extension for the proposal submittal due date has been granted. This will be the **only** schedule extension, unless the association makes significant changes to the requirements. The revised proposal due date is **Monday, June 14th, 5:00pm Seattle time.**
3. A matrix summary of proposer questions and association responses (95).
This matrix is coded to identify those questions, which resulted in an RFP amendment, or where additional information is provided in a separate format.
4. Additional information requested during the March 17, 18 and 19 Pre-proposal Conference and Site Visits:
 - List of current pass sales **Retail Locations** for 5 agencies (ST and WSF do not have retail locations)
 - Summary of the **Radio Frequency Channels** used by 5 agencies (ST will use the RF channels for the agencies managing their fleet operations and WSF information will be provided by April 9th.)
 - Schematic of **WSF Pier 50** new construction planned for its Stage 2
 - Schematic of PT and CT **Information Systems Architecture**
 - Summaries of agency **Fare Tables.**
 - **Community Transit's hubometer**
